

CALIFORNIA FOODSERVICE

instant rebates™

Save up to \$3,000 per unit on commercial foodservice equipment

 **Start saving now!** High-efficiency equipment could help you save money by reducing your energy usage

With the California Foodservice Instant Rebates Program you could save on high-efficiency equipment for your business. Choose from a variety of qualifying products and get valuable instant rebates as a discount on your invoice – no paperwork, no waiting. Three convenient steps – here's how:

- 1 Find a participating dealer at caenergywise.com/instant-rebates
- 2 Choose qualifying product
- 3 Receive an instant rebate on your invoice

Eligibility Requirements

Non-residential customers of SoCalGas®, Pacific Gas and Electric Company (PG&E®), Southern California Edison Company (SCE®) and San Diego Gas & Electric Company (SDG&E®) are eligible to receive instant rebates. Equipment must be installed in a non-residential location that receives natural gas and/or electricity service from one of the above utilities.

Energy Savings with High Efficiency

Using energy-efficient cooking equipment could lower energy and water use and could reduce utility bills compared to standard equipment.

Just
3 steps!
no paperwork
required

Valuable rebates are available on a range of natural gas and electric equipment for your business.

For more information on the California Foodservice Instant Rebates Program, please call (714) 787-1098 or email instantrebates@energy-solution.com.

Qualifying Equipment

Many common makes and models of commercial foodservice equipment qualify for the California Foodservice Instant Rebates Program. Qualifying equipment must be installed at a non-residential site that receives natural gas and/or electricity service from SoCalGas, PG&E, SCE, or SDG&E. The fuel type of the equipment being purchased must match the fuel type of your non-residential account with one of the above utilities.

Effective January 1, 2026

*For the full and most current list of qualifying equipment, download the California Foodservice Instant Rebates Qualifying Products List at caenergywise.com/instant-rebates.

Rebate varies by: ¹ number of pans, ² efficiency level, ³ size, ⁴ ice harvest rate, ⁵ efficiency level and dishwasher type.

The California Foodservice Instant Rebates Program is funded by California utility customers and administered by Southern California Gas Company (SoCalGas®) and supported by the state's other investor-owned utilities (IOUs), Pacific Gas and Electric Company (PG&E®), Southern California Edison Company (SCE®) and San Diego Gas & Electric Company (SDG&E®), under the auspices of the California Public Utilities Commission through a contract awarded to Energy Solutions. Program funds, including any funds utilized for rebates or incentives, will be allocated on a first-come, first-served basis until such funds are no longer available. This program may be modified or terminated without prior notice. Customers who choose to participate in this program are not obligated to purchase any additional goods or services offered by Energy Solutions or any other third party. The selection, purchase, and ownership of goods and/or services are the sole responsibility of customer. **None of the above-mentioned IOUs make any warranty, whether express or implied, including the warranty of merchantability or fitness for a particular purpose, of goods or services selected by customer. None of the IOUs endorse, qualify, or guarantee the work of Energy Solutions or any other third party.** Eligibility requirements apply; see the program conditions for details.
